PRESS RELEASE
(for immediate release)

Sterling Residents Please Note:

Beginning Monday, March 12, 2012 curbside yard waste collection will begin for the 2012 calendar year. Yard waste will be collected weekly on your regularly scheduled garbage collection day.

Please remember that yard waste should be placed at your regular collection point prior to 6:00 a.m. on your regular collection day. Yard waste should be placed in 30 gallon Kraft paper bags, 30 gallon garbage cans marked with an "X", or Toters marked with an "X". Yard waste such as branches and brush should be cut into 4 ft. lengths and tied together with string or twine in bundles not exceeding 50 lbs. Yard waste collection information is available in pamphlet form from the Community Services Department.

If you have any questions regarding yard waste collection, please contact Allied Waste at 625-1000 or Public Works Department at 632-6657.
