This brochure is intended for businesses and industry. This brochure contains the commercial recycling providers in the immediate Sauk Valley area.

The City of Sterling is pleased to offer its residents several options for recycling. For residential customers, Allied Waste provides curb side recycling pickup, with a rewards program: RecycleBank. For more information on residential recycling, please visit the City of Sterling website at www.sterling-il.gov

City of Sterling

Kreider Services

Kreider Services provides electronic recycling, commercial cardboard recycling, and traditional recycling (paper, clothes, plastic).

Secure Recycling Services

Secure Recycling Services is a recognized collector, recycler and refurbisher of electronic waste in the State of Illinois. *Commercial businesses* who would like to drop used or obsolete electronics are encouraged to call and schedule an appointment. There will be a nominal charge for this service to commercial businesses.

Contact:

629 Palmyra Road in Dixon

815-288-1602

Cardboard Recycling

If a business and/or organization is interested in working directly with Kreider in recycling cardboard items, contact Lisa Oelke, Production Facilitator, at (815) 288-6691.

Traditional Recycling — Paper, Clothes, Plastic

Another green effort of Kreider Services is the traditional recycling program, which includes collection and processing of paper, plastic and clothes
