Our goal was to design a resource guide specifically for senior citizens in Whiteside County, connecting them to the services they need and may be entitled to.

Local agencies may use this guide to refer senior citizens to additional resources.

As a group, we gathered and shared resource information to the best of our knowledge. We apologize if we inadvertently omitted any specific information or incorrectly entered

any materials. Our goal is to review this annually and make any additions, deletions, or corrections at that time.

**This guide is free and accessible at www.lssi.org

Respectfully,

Beth Sterk
