Fax 815 235 2219

December 27, 2011

**To Whom It May Concern:**

Starting January 3<sup>rd</sup> 2012, the Hwy. 40 Bridge over the Rock River reconstruction project will begin. The project is scheduled to be complete by November 16<sup>th</sup> 2012.

Starting on January 3<sup>rd</sup>, traffic lanes will be reduced from 4 lanes to 2 lanes from W. 3<sup>rd</sup> St. in Rock Falls to Locust St. in Sterling. During evening hours from 9:00 PM to 5:00 AM traffic may be reduced to 1 lane with traffic being controlled by flaggers and/or temporary traffic signals. Please plan accordingly and notify anyone in your organization that will be effected. If you have any questions, you can contact me at the numbers listed below.

Thank you,
