

CITY OF STERLING
COMMUNITY SERVICES DEPARTMENT
PRESS RELEASE
(for immediate release)

The storm that passed through the City of Sterling on Monday, June 22, 2015 left many trees and branches down throughout the Community. The City of Sterling Public Works Department will be providing a special pick-up for storm related yard waste starting on Monday June 29, 2015. Please place your **storm related** yard waste at the curb in front of your house for collection by City Crews.

Storm related yard waste does not need to be cut into 4 foot lengths for this special clean-up only. You may also drop off yard waste at Public Works garage located at 1605 Ave L Monday.

Please note that non-storm related soft yard waste such as grass clippings, leaves, and weeds should be placed at your regular garbage collection point for your regularly scheduled pick-up.
